a). Handing over of some of the private properties of the Ruler.
b). Absorption of State-staff. Orders of the Government are still awaited in respect of some of the employees of the merged state.
c). Survey and Settlement of Land Revenue.
d). Reorganisation of village Establishment.
e). Abolition of the State Transport Department, the disposal of the Transport vehicles and the absorption or discharge of the staff connected with it.
f). Affairs of the Sandur Tobacco Co.,Ltd.,(Under Liquidation)
g). Administration of Bommagatta enclaves taken over from the Mysore State.
h). Scrutiny and adjustment of pending bills presented by the State officials.
i). Lease of buildings to be takenover by the Madras Government from the Ruler of Sandur for locating Government offices.
j). Correspondence relating to the unaccounted for balance of Rs.43000/-.
k). Other Misc. correspondence.

In addition to the above, there are some files

relating to the correspondence regarding the personal privileges of the Ruler. The question of sorting out old records relating to Federal subjects etc. and handing them over to the various departments concerned has still to be done and separate orders on each item have to be issued. Certain disputes relating to lands are still pending final settlement. Appeals from some of the Ex-state employees for certain privileges are still being received and they have to be examined carefully. All these items of work involve huge correspondence in the Collector's office. This Upper Division Clerk has got 135 pending currents with him. The nature of correspondence is complicated and urgent, and it continues to be heavy.

I therefore consider that the continuance of this Upper Division Clerk upto 31-3-1952 is absolutely necessary in the interests of speedy and efficient discharge of this special correspondence relating to merger of States. I request that the Government may be pleased to accord sanction for the continuance of this Upper Division in the Collector's office Bellary for the period noted below
